

CAER LLAN

A FAMILY RUN WEDDINGS AND EVENTS VENUE

EST. 1969

For those who yearn for a more relaxed wedding style we have created our Twilight package. You can start with a late afternoon ceremony, enjoy a glass of Prosecco and canapés with your guests and take time for some wonderful photographs in the house and grounds.

Perhaps you are already married and would now like a reception party.

We will serve your evening food and you can dance the night away. Twilight weddings are ideally suited to couples looking for a less formal wedding day, moving away from the traditional seated wedding breakfast.
